Your failure to comply with the financial agreement constitutes a breach of contract. This situation leaves us with no option but to repossess the said vehicle, as per the terms of the financing agreement.

You are hereby instructed to clear all outstanding dues, including applicable penalties and late fees. Failure to comply within this timeframe will compel us to initiate the repossession of the vehicle without further notice.

Additionally, any individual who obstructs or attempts to prevent our authorized recovery agents from repossessing the vehicle will face legal action under the Indian Penal Code. Such obstruction will be treated as an offense, and the individuals involved will be held liable for any consequences arising thereof.

Please note that any further non-compliance will result in legal proceedings under applicable laws, and you will be liable for all additional costs, including but not limited to legal expenses, recovery charges, and damages. Unauthorized use, transfer, or concealment of the financed vehicle will also be treated as a criminal offense, and appropriate action will be taken.
